Preface

We are responsible for the words we speak.

We are responsible for the experiences we have.
Thoughts and beliefs, words, written and spoken, create.
We are often unaware of unconscious programming.
We need to clear our limiting thoughts and beliefs.

Affirmations clear the limiting beliefs and negativity.
Affirmations undo what is not true.
Affirmations, correctly used, set us free to choose again.
Affirmations awaken our minds to trust and freedom.

Use affirmations to clear past programming.
Use affirmations to recognize programmed blocks.
Use affirmations to free your mind from learned limitations.
Use affirmations to open your mind to inner guidance.

Let us use affirmations to change our lives.
Let us use affirmations as tools for transformation.
Let us use affirmations to be all we can be.
Let us use affirmations to transform our world.

Acknowledgments

Affirmations flow from my quiet Mind and Open Heart, where I listen to the Voice Within, the Holy Spirit, that lives within each one of us.

Thank you Spirit.

You, the readers, have been my inspiration, my reason, and my encouragement for putting them into book form.

Thank you Friends.

My Life Partner, Robert Waldon, is my helpmate and support in bringing the printed form to you with spiritual integrity.

Thank you Robert.

I am forever grateful to the Love that lives within us and sets us free to totally trust in the Love We Are together.

Thank you Love.

Introduction

This is a book of affirmations. It is powerful in its intention, for it will clear your mind to see who you really are. In truly recognizing ourselves, we experience health, happiness and peace of mind.

Affirmations contain truth which frees the mind from faulty thinking. The mental computer stores in its memory the data we put in. It does not discriminate between truth and illusion and receives whatever it is given and seems to fit with its current programming or beliefs.

This is a book designed to assist you in times of uncertainty and fear and to help you return to a sense of joyful confidence and peace.

The positive thoughts within this book are to bring to mind the Truth about your Self, the Highest and Best within you. It is only the **mistaken** belief in your lack and limitation that has kept you feeling small and separate from your Wholeness.

Transformation occurs in you, as you release your past learned beliefs, and open to the present Truth about your Self.

You are Infinite in Beauty, Wisdom and Love.

You are as you were created = Perfect.

You went to sleep, went unconscious, and forgot your True Source, the Essence in you.

You will now easily remember who you truly are.

It is fun, safe and easy to affirm and appreciate One's Self.

Truths

1. *Thought creates.*
2. *Each thought I think and each word I speak creates a result.*
3. *Unconscious mind-chatter is merely programming from the past.*
4. *I release my limited thinking by consciously choosing expansive and affirming thoughts.*

Ideas For Using Affirmations

1. Use the positive thought which is opposite of your limited or negative belief.
2. Use your name in the affirmation whenever possible.
3. Repeat the affirmation aloud as you write it ten to twenty times a day minimum.
4. It is easy to sing or record affirmations for further repetitions.

Positive thoughts act as loving erasers for the fearfulness and limitation we accepted in the past.

You now accept only those thoughts that add to your life; the rest is easily released forever.

I recommend taking care of survival, security and safety needs first.

I suggest that you find a place, a time, a person and/or a method of returning to a state of love and gratitude.

In our natural state of love and gratitude (inner peace), our resources, inner guidance, clarity of vision, direction and focus are all available, creating more simplicity and peace for me and for you.

The Power Of Affirmation

Your thought, word and action are your power. Words are constantly either building or tearing down, healing or destroying. You can now choose words for your Highest Good. Use your name in each one. Use your name when you affirm what is your Divine right.

Be willing to do affirmations; they're fun! Affirmations are a safe and easy way to choose for freedom. The simple truth about affirmations is that they work.

These affirmations are all designed to assist you in clearing away false beliefs, mistaken learnings, and limitations of your Self. The purpose of these affirmations is to bring you to a state of peace, inner joy, and Divine Love. They have been given to me to share with you.

Remember that there is power in the word. Therefore, choose your words wisely. Remember that what you ask for you receive, exactly as you have asked. Remember that in every word, energy is expressing itself through you. So, choose your words with simple innocence and wisdom.

Affirmations lovingly release any false beliefs of lack, limitation or littleness which you may have learned in your life. Every place where you have judged yourself calls to be erased (released) so that you might be free to express your magnificence with love and joy.

Affirmations are to be "high" enough and "clear" enough to reverse the thinking that is present. In a state of Love, our thoughts and words are creative, inspiring, an extension of goodness, beauty and wholeness.

Loving Affirmations

The following pages contain sample affirmations for most areas of your life.

You may use these as they are.

You may wish to modify specific affirmations to better apply to your circumstances.

Lastly, you may find that these affirmations awaken in you an awareness of specific thoughts which need healing and for which you can create your own personal affirmation.

We encourage you to write your changes and additions directly in the book.

- The more I forgive myself, the more others forgive me.

Use of Denial

You inflict dis-ease (a state of inner conflict) upon yourself by your fears, resentments, hates and beliefs in evil (error). Evil is any thought that is in opposition to eternal life and love.

Remember:

What you give attention to expands.

Denial is the first law of healing. “No, I do not accept this appearance as necessary or lasting in my life.” There is no unhappiness in God. There need be no unhappiness in any of His creations.

Don’t believe anything anyone tells you about your health, unless they tell you that you are well and whole. If they try to tell you anything else, refuse to listen and refuse to believe it.

- I deny fear. It is not real and has no power.
- I refuse to interfere with God’s perfect plan.
- The process of life is unfolding in me now.
- There is no harm.
- The world and everyone in it wishes me well-being and happiness.
- There is nothing to fear.
- There is no power to hurt or be hurt in this situation.
- I believe no false beliefs. God is with me; I cannot be deceived.

Gratitude

- I fully and completely acknowledge and honor my being.
- I am grateful to God.
- I am grateful to myself for my willingness to play my part in life.
- I thank others for their integrity in choosing what is truly best for them.
- I thank You, God, for Your gifts to me.
- I value everyone’s uniqueness.
- I look for good, then I praise it.
- I look for God, then I praise Him.
- I know everything works together for good.
- The more I appreciate what I give, the more I have.
- The more I appreciate what I have, the more I give.

Release • Letting Go • Detachment • Freedom

Through speaking words of release, our problems are freed to work out in whatever way is best. People naturally do the “right” thing when they are emotionally free to do so.

- I fully and freely release you. I loose you and let you go.
- All that has happened between us is now released.
- I free you to your Highest Good.
- The good of one is the good of all.
- I place this entire situation in God’s hands and release it to His perfect solution.
- I release my family and friends to their own highest good.
- As I release you to your good, so I am released to mine.
- I now release all attachment to what I want.
- All Good is mine now.
- I release all secrets, withholds, uncertainty and resistance.
- There is nothing to fear.
- I now let go of fear and live with love.
- I release all obstacles to my health, happiness and freedom.
- I surrender to God and offer up my fearfulness.
- I release all obstacles to peace of mind and inner joy.
- Forgiveness is my function here.
- Letting go is fun, safe and easy.
- I can suffer no harm.

- I now release past judgments easily.
- The past no longer runs my thoughts, emotions or behavior.
- I welcome the opportunity to be free of all negativity, separation, guilt and pain.
- I choose release now.
- I let go of the past and experience being fully alive.
- I release the past and experience exactly who I am.
- I let go of all expectations and recognize everything is in perfect order.
- I release all that keeps me away from perfect joy.

Healing

Healing occurs when even one of us releases all that was in the past with forgiveness and looks again with eyes filled with the vision of wholeness and holiness.

- I behold the Christ in you, and I am renewed in Faith.
- I am One with the Goodness, Beauty and Holiness which I see now in you.
- I praise God for the light within you.
- I look upon God's healing peace within your heart and see the holiness within you now.
- I am now allowing the Christ Mind to think through me.
- I see perfection and wholeness shining in you now.
- I see you healed and whole.
- When we are healed, we are not healed alone.
- Freedom is real and heaven is home.
- When the mind is healed, the body is seen as a temporary vehicle.
- I trust always in wholeness and holiness no matter appearances.

Vision

Hold the thought of what you would see, for thought is energy, and energy creates. Therefore, I create with my thoughts.

- I see my Self, perfect and whole, a pure expression of God, a light, innocent child.
- I experience Heaven here now.
- I see my own wholeness and the wholeness in All.
- God is the light in which I see.

- I see a world with no money; everyone shares All with All; everyone freely gives what they love to give.
- I see everyone supporting each other with blessing, help and positive regard.
- I behold the Christ in you, and I am renewed in faith.

Health and Body

To picture health is one of the quickest roads to healing. To allow the body to heal, one must “image” or conceive it.

- Every day, in every way, I am getting better and better.
- I am healthy, vibrant, energized and revitalized by doing exactly what I choose to do.
- My mind infuses my body with loving thoughts of life, energy and health.
- I deserve to care for my health and my body.
- I eat exactly what is best for me.
- I rest and relax to maintain and enhance my perfect health and happiness.
- My mind is healthy; therefore, my body is healthy.
- I now breathe freely and easily.
- Breathing is fun.
- Every breath I breathe gives me life energy and health.
- My body is warm and yielding, fluid and healthy, graceful and healing, receptive and welcoming, powerful and willing to serve.

Life

- Life is child's play, a Divine comedy. I no longer choose to play my part seriously for I know we are all learning.
- When I know I am whole and perfect, I will create only what is good, beautiful and holy.
- The more I support my own happiness, the more I support others' happiness.

Reunion Ministries

Reunion Ministries was a gift from Spirit for me and those I have worked with over the last 37 years. Reunion, a non-profit church without walls, organization without requirements, programs without evaluation, spirituality without dogma, is a forum for all to explore their own beliefs, to heal their hearts and open to Spirituality within their own lives. These precepts are the guidelines through which we grow together in Trust and Freedom, the essence of Love ItSelf.
