

Reunion Ministries

Reunion Ministries was founded in 1977 serving global holistic spirituality through education, inspiration and service. It is a non-profit, tax exempt 501(c)3 operating as a forum for Holistic Health and Practical Spirituality.

We offer coaching, counseling and programs for education and inspiration with freedom and trust. All programs are designed to encourage inner guidance, healing, to awaken our Authentic Self, to actualize our full potential, to heal all relationships and to live the vision of Peace on Earth from within.

While no formal dogma is taught, Reunion serves from the following precepts:

- **We are all Spiritual Beings.**
- **All life is inter-connected.**
- **Love is our natural state and the unifying force of all creation.**
- **To create what is good, beautiful and whole is our call.**
- **Forgiveness, freedom from judgment and fear, brings healing and love.**
- **Relationships bring us into conscious awareness of our blocks to love and our healing needs.**
- **We are here to learn and teach what we are learning.**
- **We respect all Beings and honor all Paths.**
- **We listen within and serve the Highest Good for All.**

Reunion Precepts

We are all Spiritual Beings.

All life is inter-connected.

Love is our natural state and the unifying field of all creation.

We respect all Beings and honor all Paths.

Relationships bring us into conscious awareness of our blocks to love.

Forgiveness, freedom from judgment and fear, brings healing and love.

As we listen within, we will serve the Highest Good for All.

We are all here to learn and teach what we are learning.

Creating what is good, beautiful and whole is our true vocation.

Where there is Forgiveness, there is Love.

Where there is Love, there is Respect.

Where there is Respect, there is Responsibility.

Where there is Responsibility, there is Trust.

Where there is Trust, there is Cooperation.

Where there is Cooperation, there is Peace.

Where there is Peace, there is Healing.

Where there is Healing, there is Freedom.

Where there is Freedom, there is Joy.

Where there is Joy, there is Light.

Where there is Light, there is Vision.

Where there is Vision, there is Good for All.

We are called to:

Love Unconditionally.

Serve from the heart.

Remember God.
