

# Betty Lue Lieber, PhD, LMFT

*“I am called to serve with creative solutions counseling and coaching for individuals, couples and families. My psychotherapy practice is holistic (mind, body and spirit) and focused on what facilitates the very best in each individual. Daily Loving Reminders offer essential guidance for those who value regular inspiration. My books, workshops and interfaith ministry inspire, educate and encourage independence and purposeful living for everyone desiring to find and follow their own path to fulfillment. I continue to learn how best to be truly helpful by strengthening my own unique path to fulfilling my life purpose.”*

**Mission: *To inspire, educate and facilitate all to live our best.***
